## Why should I choose QBE Hong Kong's Home Insurance Occupier Cover?

Our home insurance plan not only covers the financial losses of your property, but it also protects you from legal liability as an owner-occupier and/or tenant.

### **All-round protection for your home contents**

Not only are the contents contained in your home covered by us, but so too are your contents in a safe deposit box, during transit to your new home, or at your workplace. We can cover your specified valuables worldwide, up to the selected limit as well as cover your unspecified items.

### **Flexible cover to suit your needs**

We understand that every individual will have different needs, so you can choose additional options as necessary such as domestic employer's liability and personal valuables.

### **Additional coverage for your temporary accommodation**

If your home is unfit to live as a result of an accident, we will also pay for the cost of the emergency accommodation.

### **Comprehensive coverage**

Are you still buying Home Contents and Building insurance from different insurance companies? Our comprehensive package includes cover on Home Contents, Buildings, Personal Valuables and Personal Accident. You even have the option to upgrade the limit on Personal Valuables and/or Liability to others and add Domestic Employer's Liability in the same policy to ensure seamless coverage.

### **Worry free from the liability and legal costs arising from your home**

We will cover the liability arising from your home and the legal costs for defending a claim.
