Assessing your claim

1. **Providing proof**
You must be able to prove to us you've suffered a loss covered by your Policy before we'll pay you for it. We may ask you for this proof if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following:
 - Receipts
 - Accounting documentation (books and records)
 - Service records.
2. **Inspection and possession of damaged property**
 - (a) You must give us access to your property and the location or make them available to us for inspection if you make a claim.
 - (b) You must allow us to take possession of any damaged property and deal with it in a reasonable manner. If we do not take possession of the damaged property, you cannot abandon your responsibilities for the property.
3. **Contribution & other insurance**
You must notify us of any other insurance which will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of a Claim for loss, damage or liability under this Policy there is any other insurance (whether effected by you or by any other person) which covers the same loss, damage or liability:

- (a) we will not be liable to pay or contribute more than our rateable proportion of such Claim;
- (b) you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer; and
- (c) if that other insurance includes a provision excluding it from ranking concurrently with this Policy either in whole or in part or from contributing rateably to that Claim then our liability shall be limited to such proportion of the Claim as the Sum Insured for that Claim bears to the value of the property.

4. Salvage

You must give us access to your insured property and the Business Premises or make them available to us at reasonable times for inspection and examinations. We have the right to require you to dismantle and reassemble insured property in connection with any such inspection or examination. We will provide you with a copy of the results of any such inspection or examination.

You must allow us to take possession of any insured property which is damaged and deal with it in a reasonable manner.

We are entitled to obtain and retain any items or materials salvaged or recovered after you make, and we agree to pay, a Claim by replacing or paying to replace items or materials. We may sell the items or materials and keep the proceeds. We may choose to sell the items or materials to you, provided you agree to pay market price for them.

Compliance with this general condition is a condition precedent to our liability to you under this Policy.

5. Preventing our right of recovery

If you've agreed not to seek compensation from any person liable to compensate you for loss, damage or liability covered by your Policy, we won't cover you for that loss, damage or liability.

Discharge of our liabilities

At any time we can pay to you or on your behalf, for all claims made against you for any one (1) occurrence:

- (a) the limit of liability of the section under which the claim is made, after deducting any amounts already paid, or
- (b) any lower sum for which the claim may be settled.

If we do so:

- (c) the conduct of any outstanding claim(s) will become your responsibility; and
- (d) we will not be liable to pay any further amounts other than costs, charges, or expenses that we agreed to pay before we made the payment referred to above.

Sum Insured, Limit of Indemnity and Excess

- (a) We will not pay more than the Sum Insured or Limit of Indemnity in respect of any claim:
 - (i) other than those benefits that are identified as payable in addition to the sum insured, or
 - (ii) unless we agree in writing to pay legal costs or expenses in relation to a claim.
- (b) You must pay the amount of any Excess shown in the Policy Schedule for each claim you make. Payment of your Excess may be requested when you lodge your claim form or may be deducted from our payment to you.

- (c) If you suffer damage which leads to a claim under more than one (1) section of this Policy, or more than one (1) coverage item within a section of this Policy:
 - (i) the highest applicable excess is payable, but
 - (ii) only one (1) excess is payable.

Subrogation, recovery action & uninsured loss

We may at any time, at our expense and in your name, use all legal means available to you of securing reimbursement for loss or damage arising under your Policy. In the event we do so, you agree to give all reasonable assistance and provide us with all necessary information and documents we reasonable require for that purpose.

If you've suffered loss that wasn't covered by your Policy as a result of the incident, we may offer to attempt to recover this. You may also specifically ask us to recover this for you. You'll need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action we'll also ask you to agree to the basis on which we'll handle your recovery action. You may need to contribute to legal costs in some circumstances.

Proceedings and negotiations

We are entitled, by giving you notice, to take over and conduct in your name the defence or settlement of any claim, demand or proceedings against you which is covered by our indemnity under this Section. If we do:

- (a) We control all claims
- (b) you must provide us with such information, documents and assistance as we may from time to time require for the conduct of such claim, demand or proceedings and including the latest Earnings of all Employees duly certified as correct by an independent auditor;
- (c) you must not without or prior written consent incur any expenditure, make any payment, admission or offer or enter into any settlement in connection with any such claim, demand or proceedings.
- (d) You must allow us to:
 - (i) make admissions, settle or defend claims on your behalf, and
 - (ii) take legal action in your name against another person to recover any payment we have made on a claim. We may keep any amount we recover in priority to your right to recover any amount that you have lost which is not insured under this Policy, whether or not we have paid your claim in whole or in part.

Automatic reinstatement

We have the option of indemnifying you by payment or by reinstatement, replacement or repair of lost or damaged property. If we elect to reinstate or repair any property or part thereof we are not obliged to reinstate or repair it exactly or completely but only as circumstances permit and in a reasonably sufficient manner and provided that we shall not be obliged to spend more than the Sum Insured in connection with such reinstatement and repair.
